***Response to Amendment***

Applicants' amendment filed on November 26, 2003 has been entered on April 16, 2004.

Therefore claims 1 to 23 as recited in the amendment are currently pending in the Application.

***Information Disclosure Statement***

The information disclosure statement (IDS) submitted on 11/26/2003 enclosing copies lds filed 11/04/2003 rec'd by the PTO on November 12, 2004 and that filed on 11/29/2001 is in compliance with the provisions of 37 CFR 1.97. Accordingly, the above identified information disclosure statements are being considered by the examiner and the initialed PTO-1449 enclosed herewith to be mailed with the instant Office Action.

The foreign search report submitted on January 10, 2003 does not include a PTO-1449 and therefore will be considered upon the submission of PTO-1449 listing the references cited in the foreign search report.

***Drawings***

The drawings were received on January 30, 2002 are accepted. These formal drawings have been entered.

***Allowable Subject Matter***

Claims 1 to 23 are allowed.

The following is an examiner's statement of reasons for allowance:

The prior art taken either singularly or in combination fails to anticipate or fairly suggest the limitation of the dependent claims, in such manner that a rejection under 35 U.S.C. 102 or 103 would be proper. The prior art fails to teach a combination of all the claimed features as presented in independent claims ( 1, 4 and 17) which include a method of forming a pixellated device and the pixellated device including defining pixelled areas , wherein each pixalled are includes a thin film transistor , a pixel electrode and a line conductor associated with source and drain conductors of the TFT all of which are formed of a transparent conductive layer . A metallic layer selectively electroplated over areas including the line conductor but not over the source and drain conductors of the TFT.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Steven H. Rao whose telephone number is (571) 272-1718. The examiner can normally be reached on 8.00 to 5.00.
